1,577

Children and young adults provided access to a quality education

29

Forever families received Joseph's DreamCoat adoption grants

MORE THAN 7,000 CHILDREN AND FAMILIES SERVED AROUND THE WORLD through programs and mission trips

“While all our programs look different, our mission in each is to mobilize others to respond to God’s passion for the orphaned. We advocate for the vulnerable, speaking up for the rights of the child so that they are protected. We advocate for best practices and empower national programs through the local church. As we go forward, God is guiding us to go deeper in every country to expand our impact. Orphan Outreach only wants to go where the Lord leads us to go.”

— Rey Diaz, Executive Vice President
